

# Nakuja internship Team meeting

## Progress report format

Name: MICHAEL KIMANI

# Tasks completed last week

- PARACHUTE EJECTION
- IGNITION SYSTEM PROGRAMMING

# Tasks in this week

- PCB design of the avionics bay
- Parachute deployment programming
- Casting propellant

# Timeline

Month	Week	Tasks
Mar	Week 1	Research and acquisition of sensors
	Week 2	Ignition and parachute deployment programming
	Week 3	Casting propellant
	Week 4	Static firing tests
Apr	Week 1	Avionics bay development
	Week 2	Airframe integration
	Week 3	Integration with propulsion
	Week 4	Launch N-1 rocket
